Welcome to another instalment of Music News! We are starting to hit the crunch time part of the term with assessment and lots of activities happening.

Last Friday night 27th May, the music students from Year 9-12 ventured via bus to CQCM to watch the CQU Bachelor of Jazz & Popular Music Program’s “Big Night In & Still Swingin” Concert. It was a great night of Jazz, Pop and Latin music and all of the students thoroughly enjoyed themselves. Some students were even dancing and singing in their seats! Huge thanks must go to Ms Alison Cliffe for driving the bus into town and back for us. It is extremely important for all students to experience live music at some point in their music careers and this event is a great way to reinforce that. Thank you to parents for your support of these excursions.

I would like to reinforce the requirement for all junior students to have a music book for their 4 week music rotation. This is on the school booklist and these books are available at most newsagents at a very reasonable price. A music book must include normal writing lined paper and manuscript paper. The students use this manuscript extensively in their 4 week rotation. If you have any questions, please don’t hesitate to contact me.

I will try to advertise some music and theatre events occurring in Mackay so that the Sarina SHS families can experience some great live music and theatre over the rest of the year.

In music,

Molly Rossetto
