

Rugby League Class Commitments

Commitments:

- I will never put myself above the team. The team comes first, always.
- I will aspire to at least **85% C's** across my subjects.
- I will maintain at least a **satisfactory** behaviour and effort rating in 100% of my classes.
- I will listen and take every opportunity to learn on the field and in the classroom.
- I will never put my team mates down.
- I will always support my team mates.
- I will earn my spot in the Sarina State high School Program.
- I will treat my team mates, coach and myself with respect. I will earn their respect by applying 100% effort into **everything** I do.
- I will support the team even if I am unable to train or play.

In line with the Sarina State High School Representation Policy - If any student has fewer than 100% satisfactory behaviour and effort rating across their classes at the conclusion of term 1, they will not be eligible to play and they will be put on two weeks probation. After this two weeks probation if the student has not improved, their position in the program will be reviewed.
