

# WEEKLY SNAPSHOT

SARINA STATE HIGH SCHOOL

## From the Principal

*Paula Grundy*

*Stay connected...*

During the Whitsunday School Futsal Titles this week all of the Senior and Junior teams represented our school with great pride. Congratulations go to all of our students in their efforts. There were a number of students who were selected to represent Mackay and North Queensland at the State Titles later on this year – see the sports report for the full details.

Whether it is individually or as a team in an academic or sporting endeavour or through participation in different activities our students continue to represent themselves and our school with pride. Their efforts are to be congratulated – please check out the school Facebook page to see what some of our students have been doing locally and across the State.

A number of students were lucky enough to participate in a full day Filmmaking and Acting for Screen Workshop with the Noosa Film Academy where they learnt how to shoot short dramatic films on location and alternated between the key roles while making a dramatic 5 to 10 minute film.

Next week has the second round of immunisations for the Year 10 co-hort on Tuesday. If you have any questions about the injections please contact the office.

Another four-day week for everyone again next week. Please keep working with your students year level HOY if there is any reason that your student is not able to come to school every day.

Enjoy your weekend!

Paula Grundy  
Acting Principal

# Student Success

We would like to give a big shout out to Van Damme Plant Hire for supporting our student Charmaine with her work experience and allowing her to access similar experiences as her peers.

Sarina SHS past graduate student Seb kindly volunteered his time this week, lending a hand to label lunch bags for our tuckshop. This is part of an exciting business venture - **Sort it Seb**.

Seb is offering his services, including laminating, packaging, stamping and sorting to our community whilst raising awareness about autism. Check out some of the tasks Seb has recently completed on his business Facebook page.

*Sort it Seb*

**HERE TO ASSIST**

**My name is Sebastian and I live with autism.**  
I'm here to offer my assistance with any tasks that you or your business may want to delegate such as:

- ✓ Laminating
- ✓ Packaging
- ✓ Stamping
- ✓ Sorting

## Supporting Children with Complex needs and relational trauma

Presented by  
Leland Pasion  
from Complex Care

Date: Wednesday 22nd May  
2024

Venue: Roots

Time: Refreshments at 3.30pm  
for a 4pm start

Cost: FREE!

Last year, over 60 teachers, educators, child health nurses, trainers, principals, early childhood directors and the next generation of professionals came together to gather a collective understanding on how to support children with complex trauma which showcased our collective ongoing commitment to the beautiful children in our community.

This year Leland Pasion from Complex Care is back to help us continue this journey. We will be exploring case studies to help us gather practical strategies to put in our toolbox to support children in our care; something many of you asked for after last year's event. Use the QR code to answer a few questions about what is happening in your education setting at the moment, so that we can work with real and relevant examples. Leland will choose 2-3 cases to discuss from submitted cases through the survey (fully respecting privacy, we are, after all a small community!). Leland will then use these at the event to provide strategies we could consider, so we can explore and collaborate together in a way that is meaningful for our professional community.

And lets not forget, its wonderful chance to relax and connect with each other at the beautiful Roots over gorgeous food, a wine or a coffee!
